ESCAPE: \$39,950

The UEV-390 is a first class off-road trailer exploding with unique design and features. There is space for all the camping luxuries and everything has a place making camping a breeze.

When set up the tent reveals an elevated king size bed and a large living area below that can be expanded with the optional add-on room, making the UEV-390 perfect for large families needing a compact camping solution.

The UEV-390 sports a robust L-shaped slide out kitchen designed to please with both dedicated and free storage options and of course the signature mini-bar.

This is a trailer best suited for those families & couples seeking

adventure, combining tough no-nonsense equipment with first class comforts.

The 2017 Escape model features additional specifications and upgrades including DO35 coupler, nosecone and axle, upgraded 10" off-road electric brakes and dual 4kg gas bottles. The UEV-390 Escape also comes with a gas hot water unit that services a shower and the kitchen via cleverly positioned hideaway taps at the wash basin slide.

In addition to the awning, cutlery, crockery and glassware that come standard, this model also comes with Conqueror bed cover set, groundsheet, Conqueror BBQ grill and a fridge/freezer. With all these inclusions, you can escape with ease and comfort.

Made for Australia — 20 years experience manufacturing military & off-road vehicles
